January 2013

Dear Members,

The Construction Management Association of America Gulf Coast Chapter (CMAA GCC), which includes Eastern Louisiana, South Mississippi and Southwest Alabama, is seeking your support for 2013. Your support of the chapter makes it possible for us to provide scholarships, top-notch events and better communication for our members. The success of these is credited largely to our sponsors, who lend their names and financial support to the chapter.

The Sponsorship Program was established to focus on bridging partnerships with region-wide businesses and organizations – all in an effort to grow the chapter resources to better serve our members and our communities.

The structure of our Sponsorship Program will provide exposure for your company at an amazing value. We have various levels and ways for you and your firm to support CMAA GCC, as detailed in the attached Sponsorship Program Summary.

Our first two years as a chapter have been very successful, with our growing to over 125 members including public and private owners, ten (10) corporate sponsors, a growing base of Certified Construction Managers (CCM's) and scholarship program. CMAA GCC was recognized for its achievements at CMAA's National Conference in October 2012, where the Gulf Coast Chapter was named "*Chapter of the Year*". Our chapter logo proudly displays this recognition for 2013 as we strive for recognition again this year.

We are also looking forward to serving as the Local Host Committee for the CMAA Leadership Forum being held in New Orleans on May 5-7 2013. This important event, during which owners and CM professionals alike gather to exchange knowledge and share best practices, is a great opportunity to meet others in our industry and learn about current project issues. Be on the lookout for more information regarding the conference specifics and volunteer opportunities.

Thank you in advance for your willingness to support the efforts of the CMAA Gulf Coast Chapter. If we can answer any questions, please do not hesitate to contact us.

Sincerely,

Lisa F. Cookmeyer, PE
President, CMAA GCC
