

# EVENT HOST

The CONSTRUCTION MANAGEMENT ASSOCIATION OF AMERICA (CMAA) GULF COAST CHAPTER is dedicated to leading the growth and acceptance of construction management as a professional discipline that can add significant value to the entire construction project delivery process, from conception to ongoing operation. The proceeds from the golf tournament are to provide scholarships for students going into the construction management field.

The CMAA Gulf Coast Chapter is hosting its 10th Annual Golf Benefit with all proceeds going to fund CMAA Gulf Coast Chapter scholarships. The CMAA Gulf Coast Chapter is a Louisiana Registered 501(c)(6) nonprofit and has awarded scholarships annually since 2012 to aspiring college students enrolled in a degree program in the region leading toward a career in construction management.

In past years, the CMAA Gulf Coast Chapter awarded scholarships totaling over \$21,000 and looks to continue to increase this amount in 2022.
